#### MONTROSE.

Montrose, Jan. 10 .- After a fortnight of fear, nervousness and anxiety, because of the presence in our borough of the dread smallpox, the old town is rapidly resuming normal conditions, and the "scare" is considered to be practically over. Not a case of the disease exists within the borough limits and there has been none since the death of our lamented citizen, O. A. Gilbert, which occurred early Monday morning. The strict quarantine is still enforced and will be until, in the opinion of the board of health, all possibility of contagion is passed. Nearly everyone has been vaccinated, and therein has lain the salvation of the town. Wild rumors are still circulating in the rural districts, but in town danger is believed to have passed, and is the trained nurse in charge iffe in Montrose wags on as of yore. Daily the number of teams from out of town increase, and our merchants are again doing their normal volume of trade. For all of this, a grateful people return fervent thanks to the Su-

preme Ruler of the Universe. The Republican borough caucuses for the nomination of candidates to be voted for at the spring elections will be held at the various polling places on Tuesday evening, January 21.

There will be no church services held in Montrose on Sunday, as the necessary permission has not yet been given by the board of health.

A number of Montrose people are confined to their homes, tenderly nursing recently and successfuly vaccinated It is reported that the late O. A. Gil-

bert carried a life insurance of about Harry W. Beach has been unanimously chosen to fill the vacancy on

the Montrose board of education, caused by the death of Mr. Gilbert. Burgess R. James McCausland has been appointed an aide-de-camp on the staff of General James B. Coryell, com-

manding the National Association of Spanish-American War Veterans. The position carries the rank of colonel. Cards are out announcing the marriage at New York, on Wednesday, of Miss Florence Kerrigan, daughter of Mr. Dennis B. Kerrigan, of this place to Mr. Nelson Clarke Warner, son of Captain and Mrs. Charles N. Warner, also of Montrose. The couple are among our best known and most popular young people, the bride being a

beautiful and accomplished young lady, and the groom a prominent and popular young business man. They both have a host of friends, who will welcome them home on January 25, after which date they will be "at home" in Colonel W. H. Dennis, of Montrose, has been appointed an aide-de-camp on the staff of General Levi G. McCauley,

The Finger Posts Making the Many By-Paths of Present Day Troubles All Seem to Point the Same Way-Lack of Nerve Force.

Day by day the columns of this paper bring new evidence from Scranton people of the great work being done by Dr. A. W. Chase's Nerve Pills. Why they accomplish so much is easily explained—they are prepared with an eye single to restoring nerve force. They accomplish this object, which no other medicine in the world has ever been able to do; that's why bundreds of Scranton people offer their

testimony. Mr. Samuel Rogers, of No. 128 Hyde Park, avenue, Scranton, Pa., says: was in a run-down condition, headaches, nervous and sleeping badly and the appetite poor. I was told of Dr. W.
